

BERMUDA.

AN ACT

For effecting a COLLECTION of TRADE
at the WEST END of the ISLANDS of
BERMUDA, for the Ease and Convenience
of the Inhabitants, in conformity to certain
Royal Instructions.

WHEREAS the Act, entitled "An Act for re-
moving, at a certain Period, and under certain Li-
mitations, the Seat of Government from the Town
of St. George to a more central situation," is now
lying at London for Royal Approbation, and there is
reason to apprehend that no Determination will be
had thereon, until a Survey of these Islands, lately
ordered by Government, shall have been compleated

and duly reported. And although by certain Royal Instructions, directed to his Excellency William Popple, Esq; the then Governor and Commander in Chief, it was graciously permitted, for the Ease and Convenience of the Inhabitants, that Vessels trading to and from these Islands might load and unload under the inspection of an Officer residing at the West End, and enter and clear at the Public Offices in the Town of St. George, by Certificate from such Officer, without the necessity of repairing thither, as had been theretofore practised, yet the Trade remains in so diffused a State as to render the

wholeforne Designs of such Instructions ineffectual, as well to the prejudice
of the Revenue, as the Detriment of the Trader; In order, therefore, to
remedy such Inconveniences in future, by enforcing as positive a Compli-
ance with the Intention of such Instructions as situation will admit, We your
Majesty's most dutiful and loyal Subjects, the General Assembly of these
your Majesty's Bermuda or Somers' Islands, in America, do most humbly
beseech your Majesty that it may be enacted, and be it enacted by your Ma-
jesty's Governor, Council and Assembly, and it is hereby enacted and or-
dained by the Authority of the same, that as soon as may be convenient
after passing this Act, Commissioners be, by Resolve, Vote or other Act of
the Legislature, appointed and fully authorised to treat, under certain Con-
ditions to be in such Resolve, Vote or other Act expressed, with the re-
spective Proprietors for the purchase of certain Lands lying and being
on the South Side of Pembroke Parish, or the North Side of the Lane
Harbour, between the House and Lot belonging to and occupied by
Henry Butterfield, and the House and Lot belonging to and occupied by
Susannah Stowe, not exceeding one Mile in length on the said Shore, and one
hundred and fifty Acres in Quantity. And in case of neglect or refusal on
the part of the said Proprietors to treat as aforesaid, that the said Com-
missioners be authorised, and they are hereby declared to be authorised to en-
ter upon, survey, and take up the Lands aforesaid, causing the same to be
appraised on Oath by Persons indifferently chosen and agreed upon between
the said Proprietors and Commissioners, or by Persons to be fixed on and
appointed by Vote, Resolve or other Act of the Legislature as aforesaid, in
case of refusal or neglect of such Proprietor to be concerned in the no-
mination of Appraisers, which Appraisement shall be fully reported at the
first subsequent Meeting of the Legislature, and such Indemnity afforded the
Proprietors as shall be by Vote, Resolve or other Act of the Legislature
deemed full and sufficient, to be provided for in like manner with the other
Expences of Government, in Certificates to be issued from the Public
Treasury, carrying legal Interest, and chargeable on the Fund established by
an Act, entitled " An Act for raising a Public Revenue for the Support
of the Government of these his Majesty's Islands."

AND be it enacted by the Authority aforesaid, that the Commissioners
under this Act be, and they are hereby declared to be fully authorised and
empowered to convert the Lands which shall be purchased and taken up in
the manner above-mentioned into a Township for the Collection of Trade,
under the inspection of an Officer appointed for the West End of these
Islands, by virtue of the Royal Instructions herein before adverted to,
and in conformity to such Plan and Terms as shall, by Resolve, Vote or
other Act, meet the approbation of the Legislature. Always provided,
that within a certain Period to be hereafter fixed by Vote, Resolve or other
Act of the Legislature, the Collection of Trade intended under this Act,

be effected within the Limits of the said Township; and also, always provided that nothing in this Act contained shall be construed or deemed to militate, or in any manner operate against the Act, entitled "An Act for removing, at a certain Period, and under certain Limitations, the Seat of Government from the Town of St. George to a more central Situation," whenever the same shall have met the Royal Approbation.
